Public Meeting Notice – California Electricity Generation Facilities Standards Committee

April 7, 2004
3 pm - 5 pm

California Public Utilities Commission
505 Van Ness Avenue, Auditorium
(Corner of Van Ness Avenue and McAllister Street)
San Francisco

BACKGROUND

Public Utilities Code Section 761.3 establishes a process for the adoption and implementation of maintenance and operations standards for many of the electric power plants that serve California. First, the California Electricity Generation Facilities Standards Committee (Committee) adopts and revises the standards. Then, the California Public Utilities Commission (Commission) implements and enforces the standards adopted by the Committee. Various generating facilities including many nuclear, publicly owned, and qualifying facilities have been exempted from maintenance and operations standards. (See Public Utilities Code Section 761.3(d), (h) for further details.)

For more information on the Commission's proceeding to implement these standards, please see the California Public Utilities Website: http://www.cpuc.ca.gov/proceedings/R0211039_doc.htm.

APRIL 7TH MEETING

At its meeting on April 7th, the Committee will consider a final draft of (and possibly adopt) Logbook Standards for Hydroelectric Generating Facilities, and hear a progress report on the development of Operations Standards. (A complete and more detailed agenda appears on the third page of this notice.)

The policy of the Committee and the Commission is to schedule hearings, meetings, workshops and similar events in locations accessible to people with disabilities. To verify that a particular location is accessible, please call: Calendar Clerk (415) 703-1203. If specialized accommodations for the disabled are needed (e.g., sign language interpreter), those requesting the accommodations must call the Commission's Public Advisor at (415) 703-2074, TTY 1-866-836-7825 or (415) 703-5282 at least three working days in advance of the event.

NOTICES AND PARTICIPATION

The Committee is distributing this meeting notice to a list of generators that may have an interest in the standards. You are not required to respond to this notice. However, if you wish to be placed on the joint service list for the work of both the Committee and Commission, please notify: the Process Office, Public Utilities Commission, 505 Van Ness Avenue, Room 2000, San Francisco, CA 94102 (Process_office@cpuc.ca.gov).

Be sure to say that you want to be added to the service list for proceeding R02-11-039. Please provide both your e-mail and physical address. By being placed on this service list you will receive notices of Committee and Commission activities relating to the maintenance and operation standards. The Committee is sending this notice to parties already on the joint service list as well as to the mailing list mentioned above. If you are already on the joint service list, you do not have to contact the Process Office in order to stay on that list.

If you wish to participate in Committee activities you may attend a Committee meeting or respond to notices requesting comments that are sent out to the service list. If you wish to participate in the Commission's Rulemaking (R02-11-039) you should contact the Public Advisor at (415) 703-2074 for further information.
